**VETERAN HUB**

Social, Support & Sanctuary for veterans

Calling  
veterans &  
serving  
personnel  
from WW2 to  
the present  
day

Social activities, support services & sanctuary places  
for **MILITARY VETERANS & THEIR FAMILIES**

The aim of these two inaugural meetings is to ask veterans in the area for their ideas about what we should offer at the **NEW Veterans Hubs** in our local area. We need to know what support you need, be it peer support, benefits advice, activities, socials, sports activities, hobbies, help with form filling or just a social club. Please help us shape the help and support our valued veterans need.

Links have already been made with Kirklees, Denby Dale Centre Anchor, Help for Heroes, Help for Homeless Veterans and the local GPs who are all keen to support the Rural Veterans Hub. **Brews and cakes for all.**
